

483A.3 Wildlife habitat fee.

1. A resident or nonresident person required to have a hunting or fur harvester license shall not hunt or trap unless the person has paid the wildlife habitat fee. This section shall not apply to residents who have permanent disabilities or who are younger than sixteen or older than sixty-five years of age. Wildlife habitat fees shall be administered in the same manner as hunting and fur harvester licenses except all revenue derived from wildlife habitat fees shall be used within the state of Iowa for habitat development and shall be deposited in the state fish and game protection fund, except as provided in subsection 2. The revenue may be used for the matching of federal funds. The revenues and any matched federal funds shall be used for acquisition of land, leasing of land, or obtaining of easements from willing sellers for use as wildlife habitats. Notwithstanding the exemption provided by section 427.1, any land acquired with the revenues and matched federal funds shall be subject to the full consolidated levy of property taxes which shall be paid from those revenues. In addition the revenue may be used for the development and enhancement of wildlife lands and habitat areas. Not less than fifty percent of all revenue from wildlife habitat fees shall be used by the commission to enter into agreements with county conservation boards or other public agencies in order to carry out the purposes of this section. The state share of funding of those agreements provided by the revenue from wildlife habitat fees shall not exceed seventy-five percent.

2. Up to sixty percent of the revenues from wildlife habitat fees which are not required under subsection 1 to be used by the commission to enter into agreements with county conservation boards or other public agencies may be credited to the wildlife habitat bond fund as provided in section 483A.53.

3. Notwithstanding subsections 1 and 2, any increase in revenues received on or after July 1, 2007, pursuant to this section as a result of fee increases pursuant to 2007 Iowa Acts, ch. 194, shall be used by the commission only for the purpose of the game bird habitat development program as provided in section 483A.3B. The commission shall not reduce on an annual basis for these purposes the amount of other funds being expended as of July 1, 2007.
